

# INNOVATION CENTRE DENMARK

## I4.0 - Digital Transformation & Global Business Opportunities

**AUTOMATION & SMART MANUFACTURING**  
**ORGANIZING DIGITAL PRODUCTION & DIGITAL DESIGN**  
**INTERNET OF THINGS & CONNECTIVITY**  
**GLOBAL TRENDS**

To explore global business opportunities in the age of I4.0, we invite industry executives, business leaders, technology and innovation experts, entrepreneurs and policy agents to join us on 3 November 2016.

You will meet leading profiles within I4.0, who will highlight Danish competences as well as global trends. We invite you to book 1-to-1 meetings with representatives from our innovation centres in Munich, New Delhi, Sao Paulo, Seoul, Shanghai, Silicon Valley & Tel Aviv. Invest in Denmark representatives will also be available.

Meet international and Danish keynotes on I4.0 and book meetings with Innovation Centre Denmark and Invest in Denmark

**Venue:**  
Navitas, Aarhus University  
on November 3rd 2016
